ADULT "LEARNING GOLF" SERIES

Scheduled at your convenience

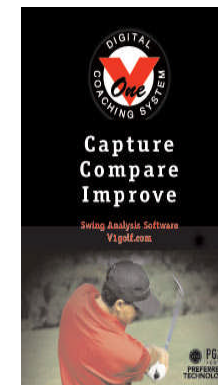

We will set-up instructional programs

Minimum of 4 Students

**To schedule a lesson call:
Campbell's Scottish Highlands
603-894-4653 (VM) ext. 39 / cell 603-833-0084**

By utilizing the K-Vest (wireless sensory 3-D imaging technology) and V1 video software to capture, analyze and give precise feedback we can help the student be more effective in training their swing. This also gives us the ability to store and record the golfers movements and over time we can track the progress of the student .

Benefits and features of digital coaching:

- Digital playback of your swing 2000 frames a second
- Industry's best image quality
- Club path tracing
- Stores student name, handicap data, ball flight, tempo, club head speed, etc
- Analyze posture, spine angle, mechanics and compare multiple swings
